

Dear prospective supporter,

Spectrum Basketball Club (SBC) is a non-profit, 501 C-3 (tax-exempt #46-2457744) organization, dedicated to providing opportunities for student athletes in Roanoke and the surrounding areas. We provide competitive, structured basketball in a positive family atmosphere for girls and boys ages 8 to 17. Our goal is to develop players who are actively recruited by college coaches from divisions 1, 2 and 3. In the past several years we have been very successful with this and we hope to continue for many years to come.

As our organization continues to grow, we need assistance from businesses in the community that share our passion for helping student athletes. The expenses associated with our mission are very high and include travel expenses, lodging, uniforms, facility rentals, and more. We also have plans to introduce a scholarship fund, which will help relieve some of the financial burden that college places on talented student athletes.

SBC does not just help youth develop basketball skills. We work with our athletes while they learn life lessons and build character to help them be successful in life. Not only will your donation and support help these young men and women fulfill their dreams, you will also receive a charitable tax deduction for 2016-2017. Any assistance that you can provide will be greatly appreciated by SBC and the student athletes that we serve. If there is any more information that we can provide for you, please do not hesitate to contact Coach Julie Skinner.

Sincerely,

Julie Skinner
